

## **Jeremiah Campus Community Addition**

**Minneapolis, Minnesota** (September 26, 2003) – Jeremiah Campus community celebrated the dedication of their new Residence and Child Care Center addition on September 24th.

The new four-story addition, designed by Collaborative Design Group, has 21 additional housing units and room for 62 children at the Hands to Heart child education center. The firm designed the original building that was completed in 1997.

The Jeremiah Program is a broad-based collaborative community initiative, designed to assist low income mothers with children to help themselves complete their education and achieve economic self sufficiency through access to affordable housing, childcare, health care, support services and meaningful employment.

Collaborative Design Group, Inc. is a multidisciplinary architectural, structural engineering, interior design, and planning firm located in Minneapolis, Minnesota. The firm offers comprehensive design services to commercial, industrial, and institutional clients.
