

## **Collaborative Design Group, Inc. Staff Announcements**

MINNEAPOLIS (June 8, 2005) – Collaborative Design Group, Inc. recently added two new professionals for the firms structural engineering department and interiors department.

**Beverly Peterka, EIT** comes to Collaborative Design Group as a structural engineer with five years experience. She is working on the Smith Avenue Transit Hub and Jeremiah Community, both in St. Paul. Beverly received her Bachelor of Science degree from the Milwaukee School of Engineering, and is pending a Masters of Engineering from University of Wisconsin, Milwaukee.

**Trina Pieper**, joins the firm as an interior designer. She is a graduate of the University of Wisconsin, Stout. She is working on McLean Hall at Minnesota State University Moorhead and Nicholson Hall at the University of Minnesota.

In other news, **Becky Sandbulte** recently passed the National Council for Interior Design Qualification (NCIDQ) exam and is now a certified Interior Designer.

Collaborative Design Group, Inc. is a multidisciplinary architectural, structural engineering, interior design, and planning firm located in Minneapolis, Minnesota. The firm offers comprehensive design services to commercial and institutional clients.
